Laminate, Hardwood, Ceramic and Stone Surface Cleaner

❖ For use on parquet, laminate, hardwood, ceramic and stone surfaces

Hardwood, Ceramic & Stone Surface Cleaner

Description	Laminate, Hardwood, Ceramic and Stone Surface Cleaner is a specially formulated cleaner designed to leave no residue on fine parquet, laminate, hardwood, ceramic and stone surfaces. It is an environmentally friendly, biodegradable, cleaner used for the maintenance of all types of pre-finished hardwood floors, ceramic and stone surfaces. Requires no rinsing.
Uses	Laminate, Hardwood, Ceramic and Stone Surface Cleaner is a mild, convenient cleaner for use on wood, ceramic tile and stone surfaces. Simply spray on and wipe off.
Application	<i>Spot Cleaning:</i> Spray cleaner directly on terry cloth mop and wipe on surface to remove soils. <i>Entire Floor :</i> Spray cleaner directly over surface and wipe with clean terry cloth mop.
Coverage	Up to 2000 sq ft (186 sq m) per 946 ml bottle.
