

Parquet, Laminate & Hardwood Floor Cleaner

For use on parquet, laminate and hardwood floors

Hardwood Floor Cleaner

Description

Parquet, Laminate and Hardwood Floor Cleaner is a specially formulated cleaner designed to leave no residue on fine parquet, laminate and hardwood floors. It is an environmentally friendly, biodegradable, cleaner used for the maintenance of all types of pre-finished hardwood floors that requires no rinsing.

Uses

Recommended for use on both urethane and wax finished parquet, laminate and hardwood floors.

Application

For general cleaning, spray Parquet, Laminate and Hardwood Floor Cleaner directly on a terry cloth mop or sponge and wipe intended surface to be cleaned. No rinsing is necessary, as Parquet, Laminate and Hardwood Floor Cleaner will dry to a streak-free finish.

Coverage

Up to 2000 sq ft (186 sq m) per 946 ml bottle.
