

TECHNICAL DATA SHEET

Carpet Spot Remover

Removes Stains Quickly and Easily

Description

SmartShine Carpet Spot Remover is a specially formulated, biodegradable product which removes the toughest stains and ground-in dirt from carpet and other fabrics.

Features

- Removes most stains
- Biodegradable
- Suitable for all types of carpet

Limitations

- Always test product prior to application to ensure satisfaction
- Not for use with carpet cleaning machines

Application

- Remove all loose dirt; vacuum if necessary
- Use sponge to absorb liquid spills
- Spray soiled area and wipe with a clean damp cloth
- For water sensitive wool carpets: spray cleaner on a clean cloth and blot stain until removed
- For tough stains, allow product to penetrate 1-2 minutes before wiping

Theoretical Coverage

- Dependant on carpet pile, type and usage

Safety Precautions

Please refer to product Safety Data sheet.
