

TECHNICAL DATA SHEET

Hard Surface Cleaner

Cleans to a Streak Free Shine

Description

SmartShine Hard Surface Cleaner is a specially formulated cleaner, designed to leave no residue on fine parquet, laminate, hardwood, ceramic, vinyl, LVT, LVP, stone and other hard surfaces.

Features

- Environmentally friendly
- Biodegradable
- No rinsing required
- Dries to a streak-free shine

Limitations

- Always test product prior to application to ensure satisfaction

Application

- Read all instructions thoroughly before applying
- Spot cleaning: Spray cleaner directly on terry cloth mop/cloth and wipe surface to remove soil
- Entire Floor: Spray cleaner lightly over surface and wipe with terry cloth mop

Theoretical Coverage

- Up to 186m² (2000 sq. ft.) per 946ml/32 oz. bottle

Safety Precautions

Please refer to product Safety Data sheet
